SECTION II

How Your Coverage Works

A. Your Coverage under this Contract.

You have purchased a dental insurance Contract from Us. We will provide the benefits described in this Contract to You and/or Your covered Dependents. You should keep this Contract with Your other important papers so that it is available for Your future reference.

B. Covered Services.

You will receive Covered Services under the terms and conditions of this Contract only when the Covered Service is:

- Medically Necessary;
- Provided by a Participating Provider for in-network coverage;
- Listed as a Covered Service;
- Not in excess of any benefit limitations described in the Schedule of Benefits section of this Contract; and
- Received while Your Contract is in force.

C. Participating Providers.

To find out if a Provider is a Participating Provider, and for details about licensure and training:

- Check Our Provider directory, available at Your request;
- Call the number on Your ID card; or
- Visit our website at www.bcbswny.com.

D. The Role of Primary Care Dentists.

This Contract does not have a gatekeeper, usually known as a Primary Care Dentist (“PCD”). You do not need a Referral from a PCD before receiving Specialist care.

You may need to request Preauthorization before You receive certain services. See the Schedule of Benefits section of this Contract for the services that require Preauthorization.

E. Access to Providers and Changing Providers.

Sometimes Providers in Our Provider directory are not available. You should call the Provider to make sure he or she is a Participating Provider and is accepting new patients.

To see a Provider, call his or her office and tell the Provider that You are a BlueCross BlueShield of Western New York Member, and explain the reason for Your visit. Have Your ID card available. The Provider’s office may ask You for Your Member ID number. When You go to the Provider’s office, bring Your ID card with You.

If We do not have a Participating Provider for certain provider types in the county in which You live or in a bordering county that is within approved time and distance standards, We will approve an authorization to a specific Non-Participating Provider until You no longer need the care or We have a Participating Provider in Our network that meets the time and distance standards and Your care has been transitioned to that Participating Provider. Covered Services rendered by the Non-Participating Provider will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

F. Out-of-Network Services.

We Cover the services of Non-Participating Providers. See the Schedule of Benefits section of this Contract for the Non-Participating Provider services that are Covered. In any case where benefits are limited to a certain number of days or visits, such limits apply in the aggregate to in-network and out-of-network services.

G. Services Subject to Preauthorization.

Our Preauthorization is required before You receive certain Covered Services. Your Participating Provider is responsible for requesting Preauthorization for in-network services and You are responsible for requesting Preauthorization for the out-of-network services listed in the Schedule of Benefits section of this Contract.

H. Preauthorization Procedure.

If You seek coverage for services that require Preauthorization, You or Your Provider must call Us at the number on Your ID card.

You or Your Provider must contact Us to request Preauthorization at least two (2) weeks prior to a planned service. If that is not possible, then as soon as reasonably possible during regular business hours prior to the service.

After receiving a request for approval, We will review the reasons for Your planned treatment and determine if benefits are available. Criteria will be based on multiple sources including medical policy, clinical guidelines, and therapeutic guidelines.

I. Medical Management.

The benefits available to You under this Contract may be subject to pre-service, concurrent and retrospective reviews to determine when services should be covered by Us. The purpose of these reviews is to promote the delivery of cost-effective medical care by reviewing the use of procedures and, where appropriate, the setting or place the services are performed. Covered Services must be Medically Necessary for benefits to be provided.

J. Medical Necessity.

We Cover benefits described in this Contract as long as the dental service, procedure, treatment, test, device, or supply (collectively, "service") is Medically Necessary e.g. orthodontia. The fact that a Provider has furnished, prescribed, ordered, recommended, or approved the service does not make it Medically Necessary or mean that We have to Cover it.

We may base Our decision on a review of:

- Your dental records;
- Our dental policies and clinical guidelines;
- Dental opinions of a professional society, peer review committee or other groups of Physicians;
- Reports in peer-reviewed dental literature;
- Reports and guidelines published by nationally-recognized health care organizations that include supporting scientific data;
- Professional standards of safety and effectiveness, which are generally-recognized in the United States for diagnosis, care, or treatment;
- The opinion of health care professionals in the generally-recognized health specialty involved;
- The opinion of the attending Providers, which have credence but do not overrule contrary opinions.

Services will be deemed Medically Necessary only if:

- They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;
- They are required for the direct care and treatment or management of that condition;
- Your condition would be adversely affected if the services were not provided;
- They are provided in accordance with generally-accepted standards of dental practice;
- They are not primarily for the convenience of You, Your family, or Your Provider;
- They are not more costly than an alternative service or sequence of services, that is at least as likely to produce equivalent therapeutic or diagnostic results;
- When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting.

See the Utilization Review and External Appeal sections of this Contract for Your right to an internal Appeal and external appeal of Our determination that a service is not Medically Necessary.

SECTION III

Cost-Sharing Expenses and Allowed Amount

A. Deductible.

There is no Deductible for Covered in-network and out-of-network Services under this Contract during each Plan Year.

B. Copayments.

Except where stated otherwise, You must pay the Copayments, or fixed amounts, in the Schedule of Benefits section of this Contract for Covered Services. However, when the Allowed Amount for a service is less than the Copayment, You are responsible for the lesser amount.

C. Coinsurance.

Except where stated otherwise, You must pay a percentage of the Allowed Amount for Covered Services. We will pay the remaining percentage of the Allowed Amount as Your benefit as shown in the Schedule of Benefits section of this Contract.

You must also pay any charges of a Non-Participating Provider that are in excess of the Allowed Amount.

D. Out-of-Pocket Limit for the Pediatric Dental Essential Health Benefit.

When You have met Your Out-of-Pocket Limit in payment of In-network and Out-of-Network Copayments, Deductibles and Coinsurance for a Plan Year in the Schedule of Benefits section of this Contract for the pediatric dental essential health benefit, We will provide coverage for 100% of the Allowed Amount for Covered Services for the remainder of that Plan Year for the pediatric dental essential health benefit. If You have other than individual coverage, the individual Out-of-Pocket Limit applies to each Member under age 19 covered under this Contract. Once a Member under age 19 meets the Out-of-Pocket Limit for one (1) Member under age 19, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year for that person for the pediatric dental essential health benefit. If this Contract covers more than one Member under age 19, when two (2) or more Members under age 19 covered under this Contract have collectively met the Out-of-Pocket Limit for two (2) or more Members under age 19 in payment of Copayments, Deductibles and Coinsurance for a Plan Year in the Schedule of Benefits section of this Contract, We will provide coverage for 100% of the Allowed Amount for the pediatric dental essential health benefit for the rest of that Plan Year.

The Out-of-Pocket Limit runs from January 1 to December 31 of each calendar year.

E. Out-of-Pocket Limit

This Contract does not have an Out-of-Pocket Limit on benefits other than the pediatric dental essential health benefit

F. Your Additional Payments for Out-of-Network Benefits.

When You receive Covered Services from a Non-Participating Provider, in addition to the applicable Copayments, Deductible and Coinsurance described in the Schedule of Benefits section of this Contract, You must also pay the amount, if any, by which the Non-Participating Provider's actual charge exceeds Our Allowed Amount. This means that the total of Our coverage and any Cost-Sharing amounts You pay may be less than the Non-Participating Provider's actual charge.

G. Allowed Amount.

"Allowed Amount" means the maximum amount We will pay for the services or supplies covered under this Contract; before any applicable Copayment, Deductible and Coinsurance amounts are subtracted. We determine Our Allowed Amount as follows:

The Allowed Amount for Participating Providers will be the amount we have negotiated with the Participating Provider.

The Allowed Amount for Non-Participating Providers will be determined as follows:

For Providers

For Providers, the Allowed Amount will be an amount based on Our Participating Provider fee schedule or rate.

Our Allowed Amount is not based on UCR. The Non-Participating Provider's actual charge may exceed Our Allowed Amount. You must pay the difference between Our Allowed Amount and the Non-Participating Provider's charge. Contact Us at the number on Your ID card for information on Your financial responsibility when You receive services from a Non-Participating Provider.

SECTION IV Who Is Covered

A. Who is Covered Under this Contract.

This Contract is issued to cover Members (known as "You") who are under 19 years of age. Coverage lasts until the end of the month in which You turn 19 years of age.

B. Children Covered Under This Contract.

Children covered under this Contract include the Subscriber's natural Children, legally adopted Children, step Children, and Children for whom the Subscriber is the proposed adoptive parent without regard to financial dependence, residency with the Subscriber, student status or employment. A proposed adopted Child is eligible for coverage on the same basis as a natural Child during any waiting period prior to the finalization of the Child's adoption.

We have the right to request and be furnished with such proof as may be needed to determine eligibility status of a prospective or covered Member in relation to eligibility for coverage under this Contract at any time.

C. Special Enrollment Periods

Outside of the annual open enrollment period, You can enroll for coverage within 30 days of the date the Subscriber gains a Dependent through marriage, birth, adoption or placement for adoption.

We must receive notice and any Premium payment within 30 days of one (1) of these events.

If the Subscriber has a newborn or adopted newborn Child and We receive notice of such birth within 30 days thereafter, coverage for the newborn starts at the moment of birth; otherwise coverage begins on the date on which We receive notice. The adopted newborn Child will be covered from the moment of birth if the Subscriber takes physical custody of the infant as soon as the infant is released from the Hospital after birth and the Subscriber files a petition pursuant to Section 115-c of the New York Domestic Relations Law within 30 days of the infant's birth; and provided further that no notice of revocation to the adoption has been filed pursuant to Section 115-b of the New York Domestic Relations Law, and consent to the adoption has not been revoked. The Subscriber must also pay any applicable additional Premium within 30 days of the birth or adoption in order for coverage to start at the moment of birth. Otherwise coverage begins on the date on which We receive notice and provided that the Subscriber pays any additional Premium when due.

In all other cases, the effective date of Your coverage will depend on when We receive Your selection. If Your selection is received between the first and fifteenth day of the month, Your coverage will begin on the first day of the following month, as long as Your applicable Premium payment is received by then. If Your selection is received between the sixteenth day and the last day of the month, Your coverage will begin on the first day of the second month, as long as Your applicable Premium payment is received by then.

D. Coverage of Children of Domestic Partners

Children covered under this Contract also include the Children of the Subscriber's domestic partner. Proof of the domestic partnership and financial interdependence must be submitted in the form of:

1. Registration as a domestic partnership indicating that neither individual has been registered as a member of another domestic partnership within the last six (6) months, where such registry exists, or
2. For partners residing where registration does not exist, by an alternative affidavit of domestic partnership.
 - a. The affidavit must be notarized and must contain the following:
 - The partners are both 18 years of age or older and are mentally competent to consent to contract;

- The partners are not related by blood in a manner that would bar marriage under the laws of the State of New York;
 - The partners have been living together on a continuous basis prior to the date of the application;
 - Neither individual has been registered as a member of another domestic partnership within the last six months; and
- b. Proof of cohabitation (e.g., a driver's license, tax return or other sufficient proof); and
- c. Proof that the partners are financially interdependent. Two (2) or more of the following are collectively sufficient to establish financial interdependence:
- A joint bank account;
 - A joint credit card or charge card;
 - Joint obligation on a loan;
 - Status as an authorized signatory on the partner's bank account, credit card or charge card;
 - Joint ownership of holdings or investments;
 - Joint ownership of residence;
 - Joint ownership of real estate other than residence;
 - Listing of both partners as tenants on the lease of the shared residence;
 - Shared rental payments of residence (need not be shared 50/50);

E. Claim Determinations.

Our claim determination procedure applies to all claims that do not relate to a medical necessity or experimental or investigational determination. If We request additional information, We will pay the claim within 30 days (for claims submitted through the internet or e-mail) or 45 days (for claims submitted through other means, including paper or fax) of receipt of the information.

We keep all requests and discussions confidential and We will take no discriminatory action because of Your issue. We have a process for both standard and expedited Grievances, depending on the nature of Your inquiry.

SECTION IX

Utilization Review

A. Utilization Review.

We review health services to determine whether the services are or were Medically Necessary or experimental or investigational ("Medically Necessary"). This process is called Utilization Review. Utilization Review includes all review activities, whether they take place prior to the service being performed (Preauthorization); when the service is being performed (concurrent); or after the service is performed (retrospective). If You have any questions about the Utilization Review process, please call the number on Your ID card. The toll-free telephone number is available at least 40 hours a week with an after-hours answering machine.

All determinations that services are not Medically Necessary will be made by: 1) licensed Physicians; or 2) licensed, certified, registered or credentialed health care professionals who are in the same profession and same or similar specialty as the Provider who typically manages Your medical condition or disease or provides the health care service under review. We do not compensate or provide financial incentives to Our employees or reviewers for determining that services are not Medically Necessary. We have developed guidelines and protocols to assist Us in this process. Specific guidelines and protocols are available for Your review upon request. For more information, call the number on Your ID card or visit Our website at www.bcbswny.com.

B. Preauthorization Reviews.

- 1. Non-Urgent Preauthorization Reviews.** If We have all the information necessary to make a determination regarding a Preauthorization review, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of receipt of the request.

If We need additional information, We will request it within three (3) business days. You or Your Provider will then have 45 calendar days to submit the information. If We receive the requested information within 45 days, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the earlier of the receipt of part of the requested information or the end of the 45 day period.

- 2. Urgent Preauthorization Reviews.** With respect to urgent Preauthorization requests, if We have all information necessary to make a determination, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone, within 72 hours of receipt of the request. Written notice will be provided within three (3) business days of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 48 hours of the earlier of Our receipt of the information or the end of the 48-hour period. Written notification will be provided within the earlier of three (3) business days of Our receipt of the information or three (3) calendar days after the verbal notification.

C. Concurrent Reviews.

- 1. Non-Urgent Concurrent Reviews.** Utilization Review decisions for services during the course of care (concurrent reviews) will be made, and notice provided to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of receipt of all necessary information. If We need additional information, We will request it within one (1) business day. You or Your Provider will then have 45 calendar days to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one (1)

business day of Our receipt of the information or, if We do not receive the information, within the earlier of 15 calendar days of receipt of part of the requested information or 15 calendar days of the end of the 45-day period.

- 2. Urgent Concurrent Reviews.** For concurrent reviews that involve an extension of urgent care, if the request for coverage is made at least 24 hours prior to the expiration of a previously approved treatment, We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 24 hours of receipt of the request. Written notice will be provided within one (1) business day of receipt of the request.

If the request for coverage is not made at least 24 hours prior to the expiration of a previously approved treatment and We have all the information necessary to make a determination, We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of 72 hours or of one (1) business day of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of one (1) business day or 48 hours of Our receipt of the information or, if We do not receive the information, within 48 hours of the end of the 48-hour period.

D. Retrospective Reviews.

If We have all information necessary to make a determination regarding a retrospective claim, We will make a determination and notify You and Your Provider within 30 calendar days of the receipt of the request. If We need additional information, We will request it within 30 calendar days. You or Your Provider will then have 45 calendar days to provide the information. We will make a determination and provide notice to You and Your Provider in writing within 15 calendar days of the earlier of Our receipt of all or part of the requested information or the end of the 45-day period.

Once We have all the information to make a decision, Our failure to make a Utilization Review determination within the applicable time frames set forth above will be deemed an adverse determination subject to an internal Appeal.

E. Retrospective Review of Preauthorized Services.

We may only reverse a preauthorized treatment, service or procedure on retrospective review when:

- The relevant medical information presented to Us upon retrospective review is materially different from the information presented during the Preauthorization review;
- The relevant medical information presented to Us upon retrospective review existed at the time of the Preauthorization but was withheld or not made available to Us;
- We were not aware of the existence of such information at the time of the Preauthorization review; and
- Had We been aware of such information, the treatment, service or procedure being requested would not have been authorized. The determination is made using the same specific standards, criteria or procedures as used during the Preauthorization review.

F. Reconsideration.

If We did not attempt to consult with Your Provider who recommended the Covered Service before making an adverse determination, the Provider may request reconsideration by the same clinical peer reviewer who made the adverse determination or a designated clinical peer reviewer if the original clinical peer reviewer is unavailable. For Preauthorization and concurrent reviews, the reconsideration will take place within one (1) business day of the request for reconsideration. If the adverse determination is upheld, a notice of adverse determination will be given to You and Your Provider, by telephone and in writing.

G. Utilization Review Internal Appeals.

You, Your designee, and, in retrospective review cases, Your Provider, may request an internal Appeal of an adverse determination, either by phone or in writing.

You have up to 180 calendar days after You receive notice of the adverse determination to file an Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will if necessary, inform You of any additional information needed before a decision can be made. A clinical peer reviewer who is a Physician or a health care professional in the same or similar specialty as the Provider who typically manages the disease or condition at issue and who is not subordinate to the clinical peer reviewer who made the initial adverse determination will perform the Appeal.

H. Standard Appeal.

- 1. Preauthorization Appeal.** If Your Appeal relates to a Preauthorization request, We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 30 calendar days after receipt of the Appeal request.
- 2. Retrospective Appeal.** If Your Appeal relates to a retrospective claim, We will decide the Appeal within 60 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 60 calendar days after receipt of the Appeal request.
- 3. Expedited Appeal.** An Appeal of a review of continued or extended health care services, additional services rendered in the course of continued treatment, home health care services following discharge from an inpatient Hospital admission, services in which a Provider requests an immediate review, or any other urgent matter will be handled on an expedited basis. An expedited Appeal is not available for retrospective reviews. For an expedited Appeal, Your Provider will have reasonable access to the clinical peer reviewer assigned to the Appeal within one (1) business day of receipt of the request for an Appeal. Your Provider and a clinical peer reviewer may exchange information by telephone or fax. An expedited Appeal will be determined within the earlier of 72 hours of receipt of the Appeal or two (2) business days of receipt of the information necessary to conduct the Appeal.

If You are not satisfied with the resolution of Your expedited Appeal, You may file a standard internal appeal or an external appeal.

Our failure to render a determination of Your Appeal within 60 calendar days of receipt of the necessary information for a standard Appeal or within two (2) business days of receipt of the necessary information for an expedited Appeal will be deemed a reversal of the initial adverse determination.

I. Full and Fair Review of an Appeal.

We will provide You, free of charge, with any new or additional evidence considered, relied upon, or generated by Us or any new or additional rationale in connection with Your Appeal. The evidence or rationale will be provided as soon as possible and sufficiently in advance of the date on which the notice of final adverse determination is required to be provided to give You a reasonable opportunity to respond prior to that date.

SECTION X

External Appeal

A. Your Right to an External Appeal.

In some cases, You have a right to an external appeal of a denial of coverage. If We have denied coverage on the basis that a service is not Medically Necessary (including appropriateness, health care setting, level of care or effectiveness of a Covered benefit); or is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), You or Your representative may appeal that decision to an External Appeal Agent, an independent third party certified by the State to conduct these appeals.

In order for You to be eligible for an external appeal You must meet the following two (2) requirements:

- The service, procedure, or treatment must otherwise be a Covered Service under this Contract and
- In general, You must have received a final adverse determination through Our internal Appeal process. But, You can file an external appeal even though You have not received a final adverse determination through Our internal Appeal process if:
 - We agree in writing to waive the internal Appeal. We are not required to agree to Your request to waive the internal Appeal; or
 - You file an external appeal at the same time as You apply for an expedited internal Appeal; or
 - We fail to adhere to Utilization Review claim processing requirements (other than a minor violation that is not likely to cause prejudice or harm to You, and We demonstrate that the violation was for good cause or due to matters beyond Our control and the violation occurred during an ongoing, good faith exchange of information between You and Us).

B. Your Right to Appeal A Determination that A Service Is Not Medically Necessary.

If We have denied coverage on the basis that the service is not Medically Necessary, You may appeal to an External Appeal Agent if You meet the requirements for an external appeal in paragraph “A” above.

C. Your Right to Appeal A Determination that A Service is Experimental or Investigational.

If We have denied coverage on the basis that the service is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), You must satisfy the two (2) requirements for an external appeal in paragraph “A” above and Your attending Physician must certify that Your condition or disease is one for which:

1. Standard health services are ineffective or medically inappropriate; or
2. There does not exist a more beneficial standard service or procedure covered by Us; or
3. There exists a clinical trial or rare disease treatment (as defined by law).

In addition, Your attending Physician must have recommended one (1) of the following:

1. A service, procedure or treatment that two (2) documents from available medical and scientific evidence indicate is likely to be more beneficial to You than any standard Covered Service (only certain documents will be considered in support of this recommendation – Your attending Physician should contact the State for current information as to what documents will be considered or acceptable); or
2. A clinical trial for which You are eligible (only certain clinical trials can be considered); or
3. A rare disease treatment for which Your attending Physician certifies that there is no standard treatment that is likely to be more clinically beneficial to You than the requested service, the requested service is likely to benefit You in the treatment of Your rare disease, and such benefit outweighs the risk of the service. In addition, Your attending Physician must certify that Your condition is a rare disease that is currently or was previously subject to a research study by the National Institutes of Health Rare Disease Clinical Research Network or that it affects fewer than 200,000 U.S. residents per year.

For purposes of this section, Your attending Physician must be a licensed, board-certified or board eligible Physician qualified to practice in the area appropriate to treat Your condition or disease. In addition, for a rare disease treatment, the attending Physician may not be Your treating Physician.

D. The External Appeal Process.

You have four (4) months from receipt of a final adverse determination or from receipt of a waiver of the internal Appeal process to file a written request for an external appeal. If You are filing an external appeal based on Our failure to adhere to claim processing requirements, You have four (4) months from such failure to file a written request for an external appeal.

We will provide an external appeal application with the final adverse determination issued through Our internal Appeal process or Our written waiver of an internal Appeal. You may also request an external appeal application from the New York State Department of Financial Services at 1-800-400-8882. Submit the completed application to the Department of Financial Services at the address indicated on the application. If You meet the criteria for an external appeal, the State will forward the request to a certified External Appeal Agent.

You can submit additional documentation with Your external appeal request. If the External Appeal Agent determines that the information You submit represents a material change from the information on which We based Our denial, the External Appeal Agent will share this information with Us in order for Us to exercise Our right to reconsider Our decision. If We choose to exercise this right, We will have three (3) business days to amend or confirm Our decision. Please note that in the case of an expedited external appeal (described below); We do not have a right to reconsider Our decision.

In general, the External Appeal Agent must make a decision within 30 days of receipt of Your completed application. The External Appeal Agent may request additional information from You, Your Physician, or Us. If the External Appeal Agent requests additional information, it will have five (5) additional business days to make its decision. The External Appeal Agent must notify You in writing of its decision within two (2) business days.

If Your attending Physician certifies that a delay in providing the service that has been denied poses an imminent or serious threat to Your health; or if Your attending Physician certifies that the standard external appeal time frame would seriously jeopardize Your life, health or ability to regain maximum function; or if You received emergency services and have not been discharged from a Facility and the denial concerns an admission, availability of care, or continued stay, You may request an expedited external appeal. In that case, the External Appeal Agent must make a decision within 72 hours of receipt of Your completed application. Immediately after reaching a decision, the External Appeal Agent must notify You and Us by telephone or facsimile of that decision. The External Appeal Agent must also notify You in writing of its decision.

If the External Appeal Agent overturns Our decision that a service is not Medically Necessary or approves coverage of an experimental or investigational treatment, We will provide coverage subject to the other terms and conditions of this Contract. Please note that if the External Appeal Agent approves coverage of an experimental or investigational treatment that is part of a clinical trial, We will only Cover the cost of services required to provide treatment to You according to the design of the trial. We will not be responsible for the costs of investigational drugs or devices, the costs of non-health care services, the costs of managing the research, or costs that would not be Covered under this Contract for non-investigational treatments provided in the clinical trial.

The External Appeal Agent's decision is binding on both You and Us. The External Appeal Agent's decision is admissible in any court proceeding.

E. Your Responsibilities.

It is Your responsibility to start the external appeal process. You may start the external appeal process by filing a completed application with the New York State Department of Financial Services. You may appoint a representative to assist You with Your application; however, the Department of Financial Services may contact You and request that You confirm in writing that You have appointed the representative.

Under New York State law, Your completed request for external appeal must be filed within four (4) months of either the date upon which You receive a final adverse determination, or the date upon which You receive a written waiver of any internal Appeal, or Our failure to adhere to claim processing requirements. We have no authority to extend this deadline.
