

## Drugs That Require Step Therapy (ST)

In some cases, BlueCross BlueShield of WNY Retiree Pharmacy PDP (PDP) requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Step-1 and Step-2 drugs both treat your medical condition, we may not cover the Step-2 drug unless you try the Step-1 drug first. If the Step-1 drug does not work for you, we will then cover the Step-2 drug.

You will need authorization from BlueCross BlueShield of WNY before filling prescriptions for the Step-2 drugs shown in the chart below. BlueCross BlueShield of WNY will only provide coverage after it determines that the drug is being prescribed according to the criteria specified in the chart. You, your appointed representative, or your prescriber can request a review by calling Member Services at 1-877-461-9218 (TTY only, call 711). We are open October 1 – March 31 8 a.m. to 8 p.m., 7 days a week and April 1 -September 30 8 a.m. to 8 p.m., Monday - Friday. Calls to these numbers are free.
