Section 1 - Introduction

This booklet provides a list of Retiree Pharmacy PDP's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Retiree Pharmacy PDP's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means BlueCross BlueShield of Western New York. When it refers to "plan" or "our plan," it means Retiree Pharmacy PDP.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Retiree Pharmacy PDP only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of December 17, 2019. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Express Scripts. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

To assist you in using our directory we have illustrated a pharmacy listing.

MAIL ORDER PHARMACY

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called *Express Scripts*. Express Scripts is available 24 hours a day, 7 days a week.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program please contact us by calling Member Services at 1-877-461-9218 or TTY number 711. Our hours and days of operation can be found on the front and back cover pages of this book.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at our toll-free Member Service number 1-877-461-9218 or TTY number 711. Our hours and days of operation can be found on the front and back cover pages of this book.

HOME INFUSION PHARMACIES

Home infusion pharmacies specialize in the preparation and distribution of medications that are administered intravenously or by injection.

In general, home infusion drugs may be covered under either the Part C supplemental benefit or Part D prescription drug benefit. While your plan does not include Part C coverage, it offers additional coverage of some Part C payable drugs under the Part D prescription drug benefit, through enhanced drug coverage. The amount you pay when you fill a prescription for these Part C payable drugs will not count towards any True out-of-pocket (TROOP) cost calculation. In addition, if you are receiving “Extra Help” from Medicare to pay for your prescriptions, the “Extra Help” program will not pay for these drugs. Please see your evidence of coverage (EOC) for further details.

For more information, please contact Member Service at our toll-free number 1-877-461-9218 or TTY number 711. Our hours and days of operation can be found on the front and back cover pages of this book.
