## Section 1 - Introduction

This booklet provides a list of Retiree Pharmacy PDP and Employer Group PDP's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Retiree Pharmacy PDP and Employer Group PDP's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means BlueCross BlueShield of Western New York. When it refers to "plan" or "our plan," it means *Retiree Pharmacy PDP and Employer Group PDP*.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Retiree Pharmacy PDP and Employer Group PDP only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of June 17, 2020. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Your plan may include a tiered pharmacy network.

With this benefit you can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with "P" to distinguish them from other pharmacies in our network that offer standard cost-sharing.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

To assist you in using our directory we have illustrated a pharmacy listing.

## MAIL ORDER PHARMACY

### Express Scripts

Retiree Pharmacy PDP and Employer Group PDP members: 1-877-461-9218. TTY for all members: 711.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called *Express Scripts*. Express Scripts is available 24 hours a day, 7 days a week.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. If you choose not to use the auto refill program, please contact us 21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program please contact us by calling Member Services at 1-877-461-9218 or TTY number 711. Our hours and days of operation can be found on the front and back cover pages of this book.

#### ***Autoshipment benefit process:***

Your plan may include a benefit that allows us to automatically ship your new prescriptions without your consent. With this benefit, if you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us at 1-877-461-9218 or TTY number 711. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

#### ***Standard Shipment Process:***

If your plan doesn't include an autoshipment benefit, we will need your consent before we can ship your medications to you. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. For refills of your mail order prescriptions, please contact us **21** days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 14 calendar days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at our toll-free Member Service number 1-877-461-9218 or TTY number 711. Our hours and days of operation can be found on the front and back cover pages of this book.

## HOME INFUSION PHARMACIES

Home infusion pharmacies specialize in the preparation and distribution of medications that are administered intravenously or by injection.

In general, home infusion drugs may be covered under either the Part C supplemental benefit or Part D prescription drug benefit. While your plan does not include Part C coverage, it offers additional coverage of some Part C payable drugs under the Part D prescription drug benefit, through enhanced drug coverage. The amount you pay when you fill a prescription for these Part C payable drugs will not count towards any True out-of-pocket (TROOP) cost calculation. In addition, if you are receiving “Extra Help” from Medicare to pay for your prescriptions, the “Extra Help” program will not pay for these drugs. Please see your evidence of coverage (EOC) for further details.

For more information, please contact Member Service at our toll-free number 1-877-461-9218 or TTY number 711. Our hours and days of operation can be found on the front and back cover pages of this book.

## **LONG-TERM CARE PHARMACIES**

Residents of a long-term care facility may access their prescription drugs covered under Retiree Pharmacy PDP and Employer Group PDP through the facility's long-term care pharmacy or another network long-term care pharmacy. A long-term care pharmacy provides medication to residents of long-term care facilities (such as nursing homes, residential care facilities, mental health facilities, long-term care or skilled nursing care beds in hospitals).

For more information on this benefit (including temporary and days' supplies), please contact us at our toll-free Member Service number 1-877-461-9218 or TTY number 711. Our hours and days of operation can be found on the front and back cover pages of this book.
