It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, we must furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider to manage your care.

SECTION 3 Deciding Which Plan to Choose

Section 3.1 – If you want to stay in *Senior Blue 601 (HMO)*

To stay in our plan you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Senior Blue 601 (HMO).

Section 3.2 – If you want to change plans

We hope to keep you as a member next year, but if you want to change for 2021 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan timely,
- -- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, there may be a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2021*, call your State Health Insurance Assistance Program (SHIP) (see Section 5), or call Medicare (see Section 7.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to www.medicare.gov/plan-compare. **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

As a reminder, BlueCross BlueShield of Western New York offers other Medicare health plans AND/OR Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

SECTION 4 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2021.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a change at other times of the year. For more information, see Chapter 8, Section 2.3 of the *Evidence of Coverage*.

If you enrolled in a Medicare Advantage plan for January 1, 2021, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2021. For more information, see Chapter 8, Section 2.2 of the *Evidence of Coverage*.

SECTION 5 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In New York State, the SHIP is called Health Insurance Information, Counseling and Assistance Program or HIICAP.

HIICAP is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. HIICAP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call HIICAP at 1-800-701-0501. You can learn more about HIICAP by visiting their website (<https://aging.ny.gov/health-insurance-information-counseling-and-assistance>).

SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don’t even know it. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;

To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in Section 5 of this booklet).
- **What if you have coverage from an AIDS Drug Assistance Program (ADAP)?** The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with

HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the New York State Department of Health. Note: To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status.

If you are currently enrolled in an ADAP, it can continue to provide you with Medicare Part D prescription cost-sharing assistance for drugs on the ADAP formulary. In order to be sure you continue receiving this assistance, please notify your local ADAP enrollment worker of any changes in your Medicare Part D plan name or policy number. The NYS Department of Health's AIDS Institute/ADAP can be reached by calling 1-800-542-2437 or 1-844-682-4058 (TDD 518-459-0121).
